

Inaugural Mt. Airy Commons Community Garden Fall Festival

To build awareness and increase engagement in the neighborhood, the Mt. Airy Commons Community Garden (Mt. Airy CCG) held the first ever Fall Festival. With the assistance of Mt. Airy Elementary, Cincinnati Police Department, Mt. Airy CURE, Mt. Airy Town Council and the Civic Garden Center, we spread the word to the entire community and produced a wonderful event. (Read More)

Mother Nature provided gorgeous fall weather to showcase the garden and interactions with everyone that attended. Together we enjoyed a day of pony rides, face painting, crafting, funnel cakes, games, and a caricature artist. For our budding garden enthusiasts, thoughtfully crafted baskets were raffled off that included seeds, garden tools, aprons, and other essentials for one to start their own garden journey.

The fall festival provided everyone with an opportunity to find out about the collective commitment to this new green space in our community. We hope you join us next year! To learn more about the Mt. Airy Commons Community Garden and upcoming events please contact us at mtairyccg@gmail.com
